NI MOTOR CLUB TEAM CHAMPIONSHIP

10.1 Eligibility: When registering for the Championship, Competitors may nominate a Motor Club affiliated to the ANICC for the purposes of the NI Motor Club Team Rally Championship. The Club (or no club) must be nominated at the same time as Competitor registration. Once registered no change to the registered Motor Club is permitted.

10.2 Eligibility: Both crew members (Driver and Co-driver) must be members of the same Motor Club, and although Driver and Co-driver pairings may change from event to event points will only be awarded when both crew members on an event are registered for the Championship as members of the same Motor Club.

10.3 Eligibility: Points may be awarded when (i) the Motor Club is registered with the ANICC and is in good standing according to the ANICC Secretary and Treasurer and (ii) the competitors are both members in good standing of the nominated Motor Club (Valid current Membership cards must be available for inspection by the Championship Coordinator at events)

10.4 Points: Motor Club Team points will be awarded to eligible crews according to the Class points scored (see Article 7.1) and the top three scoring crews for each Motor Club on each event will count towards the Club Team Championship.

10.5 There is no limit to the number of crews any Motor Club may enter on any event.

10.6 All events will count equally (no dropped scores and no bonus multiplier for the final round).

10.7 Awards: A Trophy will be presented to the winning Motor Club.
