

The McGrady Insurance Night Rally Challenge 2012 will kick off on **Friday 10th February** with an introduction to the sport of Navigation Rallying and full details on what is happening this year.

The night will focus on the fundamental skills required to compete in Navigation Rallying with presentations from experienced competitors in the sport. These skills can then be tried out with a practice table top rally in preparation for the first road based event which follows on 2nd March.

Topics covered on Friday 10th February will include:

- What is navigation rallying?
- Simple navigation instructions
- Car preparation
- Rally Timing

The venue for the first night will be **Superdrive** Motorsport Centre near Portadown. Sign on will be at **7:00pm** with the presentations starting at 7:30pm sharp. The cost to register for the 2012 Challenge will be **£10** per person which includes a starter pack containing everything you will need to use on the first night. You will not need to bring anything with you.

There will be many people there who are not already part of a crew, so if you need a driver or a navigator for future events then we should be able to provide one.

The Northern Ireland Night Rally Challenge rounds will be on:

- 10 February – Queen’s MC (No driving will be involved)
- 2 March – Newry & District MC
- 30 March – Cookstown MC
- 15 September – Dungannon MC
